

EDENVALE HIGH SCHOOL

FROM GOOD TO GREAT

Issue No. 2 ~ 7 February 2025

NEWSLETTER

Another year. Another Grade. Other people in your class. Different teachers. New opportunities. More work... I can carry on like this. Every year is different, but some things are always the same. There will always be homework, SBA tasks, tests and then the results.

This year is different from last year, but in many ways, it is the same. We still have to finish everything in time. I know a lot of us are feeling overwhelmed by all the things that must be done, but we have to cope within our deadlines.

This is the reason why I want to ask you not to feel negative and give up. There is always a way out. Learners, if you don't understand the work, go and ask for help. Don't wait until it is too late. When I think of all the extra lessons on offer, I want to ask every learner to make use of these opportunities to understand the work. Please do it now, before the Block tests start. Try your best in ALL your SBA tasks to get good marks. The teachers are giving extra lessons, especially to help you.

In General: Please make an effort to pass and to get good marks.

To the learners: Good luck for this year and please do your work to the best of your ability.

To the parents: Please help your child and let them attend the extra lessons.

To the teachers: Good luck with all the work.

We are all in the same position; let's do the best we can.

Mrs. S. Bezuidenhout
